Tools & Equipment Catalogue

by DETAIL HUB

PRECISION · POWER · PROFESSIONAL FINISH

A complete reference of professional detailing tools, machinery and accessories.

DETAIL SCALE

by Detail Hub

WELCOME

Built for Detailers. Engineered for Results.

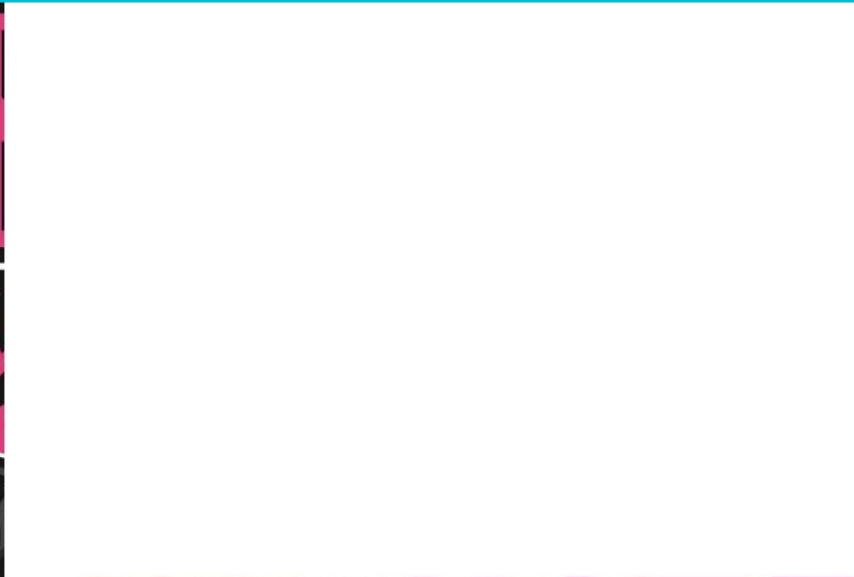

Detail Scale is the professional tools division of Detail Hub — a curated catalogue of machinery, applicators and accessories trusted by studios and mobile detailers across the trade. Every product in this edition has been selected for durability, ergonomics and consistent finish quality.

This Volume II catalogue covers polishers, extractors, steamers, vacuums, lighting, jacks, pressure washers and the hand tools that complete a serious detailing bay.

- Clean, efficient work, cost-effective
- Specification:
- Hose spec: 6.5mm (ID) x 10mm (OD)
- Input hose: 1m
- Output hose: 10m
- Specification: 4 PCS/CTN

T-670

High Pressure Water Hose Reel

- Black Color
- Clean, efficient work, cost-effective
- Special sets for Pre-wash and Foam wash
- Specification:
- Pipe spec: 8mm (ID) x 16mm (OD)
- Input hose: 1m
- Output hose: 10m
- Specification: 4 PCS/CTN

Car Wash Retractable Hose Reels & Car Wash Equipments

T-680

Double-tube
Water+Air Hose Reel

- Input hose: 1m
- Output hose: 10m
- Specification: 4 PCS/CTN

SG-14

Double-tube
Foam gun

- Maximum water vapor pressure: 0.6Mpa
- Heat resistance temperature: 2-45°C
- Applicable liquid: Neutral foam liquid
- Product application: Car washing and foam spraying
- Specification: 100 PCS/CTN
